1. Math, technology, and computer science courses taken in high school and their grades:

2. Careers in which you are interested:

3. Extracurricular/volunteer activities (such as sports, clubs, etc.):

4. How did you find out about the EDGE Program (this question will not be used in determining acceptance into the program, and is used only to help us promote the program)?

References:

Please provide two, with one being a math or science teacher. No letters of recommendation are required or suggested.

Name: _____

Name: _____

Position: _____

Position: _____

Phone #: _____

Phone #: _____

Essay:

Please submit a 200-300 word, word-processed essay explaining (1) how this workshop can help to prepare you for a future career in engineering and (2) how you expect to contribute to the workshop as an individual (by your character, culture, special talents, ...).

Scholarship:

The tuition for this residential workshop is \$2,000, which includes instruction materials, room and board, and local transportation for the two-week program. Scholarships are available based on need and qualifications. Priority will go to qualified applicants for whom it would be difficult or impossible to pay the full cost of the program. Please briefly indicate below the circumstances that lead you to apply for aid.

Financial aid is requested
